

Audio Tour Track Guide

Hello and welcome to Chicago-Kent College of Law!

My name is Mark Hanson and I am a recent graduate of Chicago-Kent. I'm originally from the Boston area (Go Red Sox!!), where I graduated from the University of Massachusetts with a B.S. in Biochemistry.

I am a recipient of the Chicago-Kent Intellectual Property Certificate and plan to work in biotech/pharmaceutical patents. I also was a member of the Chicago-Kent Advocates, the Intellectual Property Law Society, and the Sports and Entertainment Law Society.

I'm excited for this opportunity to share with you a few of my experiences here and to tell you a little about this school and the programs and facilities that comprise this renowned institution.

TRACK GUIDE
