NEW CLINICAL OFFERING: LEGAL AID HOTLINE/CARPLS

The Coordinated Advice and Referral Program for Legal Services (CARPLS) and Chicago-Kent College of Law have created a legal aid hotline clinical program at the Law School for Chicago-Kent students starting in the Spring 2004 semester. The 2-credit clinical program will be open to a maximum of 5 second- and third-year students, with preference being given to evening division students. Students need not be "711" licensed. The class will generally meet on Wednesday evenings from 5:00 to 9:00 p.m. The participating students will talk to CARPLS clients who call the CARPLS Hotline seeking legal advice in the areas of landlord-tenant and family law. The students will be supervised by an experienced CARPLS attorney.

The course will meet on Wednesdays evenings from 5:00 to 9:00 p.m. starting on Wednesday, January 21, 2004. In addition to meeting on Wednesday evenings, students will be expected to participate in an intensive weekend immersion lecture session on the relevant substantive law on Saturday, January 24, from 9:00 a.m. to 5:00 p.m., and Sunday, January 25, from 1:00 to 5:00 p.m. Additional training will occur during the Wednesday evening classes in the first four weeks of the semester. By the fifth week, students will be working on the CARPLS Hotline. All class sessions will meet in Rm. 545 at the Law School.

Students will be permitted to enroll only with the permission of Professor Gary Laser (glaser@kentlaw.edu). If you are interested in participating, please notify Professor Laser by e-mail no later than Monday, January 19, at 5:00 p.m. You will be notified on Tuesday, January 20, whether you have been accepted into the program.
