Securing the Future: The Campaign for Faculty Support

Kickoff Celebration
Thursday, April 6, 2006
The Crystal Gardens at Navy Pier
6:00 – 8:30 PM
THE RALPH BRILL CHAIR

Chicago-Kent College of Law is currently one of the few law schools in the country that does not have an endowed chair to recognize and reward its professors. Although Chicago-Kent has built an extraordinary group of talented teachers and renowned scholars, competition among law schools for professors has become more intense. It is critical for Chicago-Kent to provide its faculty with appropriate opportunities for peer recognition. The campaign for the Ralph Brill Chair seeks to raise $1.5 million in endowment to honor Professor Ralph Brill and his many contributions to Chicago-Kent and provide income and support in perpetuity to attract and retain an accomplished legal scholar.

Ralph Brill is one of Chicago-Kent’s most beloved faculty members. In his more than 45 years of service to the law school, he has taught and provided counsel to more than 8,000 students, and is still going strong. Recognized as an innovator in developing Chicago-Kent’s legal writing and moot court programs, Professor Brill continues to maintain an active teaching load and is in close contact with Chicago-Kent alumni across the country and throughout the world.
Join us to honor Ralph Brill and kickoff Chicago-Kent’s first campaign to fund an endowed chair.
