Certification Statements

I certify the following:

- I will be attending an approved visiting program for the term specified,
- I am solely responsible for making tuition payment arrangements and remitting my proceeds to the visiting school's Business/Bursar's Office, and
- If I fail to enroll in my visiting school program, I'll immediately notify the Downtown Campus Office of Financial Aid (DTCFA), Illinois Institute of Technology. I will return my student loan check(s), without endorsing or otherwise negotiating it (them), to DTCFA. If I endorse the student loan check(s) and fail to enroll in my visiting school program, I agree to immediately return the full amount of the loan to the lender for reimbursement of my account. If I fail to return the student loan check(s) to the lender, I realize that I will cancel my eligibility for future financial aid.

Please Note: It will take approximately 4 weeks to process the refund check.
