

PCT & International Patent Law Roundtable

The Intellectual Property Law Association of Chicago (IPLAC) and the Chicago Intellectual Property Alliance (CIPA) are delighted to announce the co-sponsorship of a unique roundtable discussion for IP practitioners, corporate counsel and educators interested in international patent practice, including the PCT.

This luncheon program will feature a prominent official from the World Intellectual Property Organization, Isabelle Boutillon. Isabelle works in the Geneva office of WIPO, where she is the Director of the Management Division, Office of the PCT. Ms. Boutillon will be speaking on current developments at WIPO, with particular emphasis on the PCT, which is an area of particular expertise given her prior role as Director of the PCT Legal Division. She has played, and continues to play a prominent role in the continued development of the PCT.

The program will be hosted at Loyola University Chicago, Kasbeer Hall, 25 East Pearson St, on Thursday, May 12, 2005, at 12 noon. Lunch is included, thanks to the generous support of CIPA and IPLAC.

Prompt registration is encouraged to guarantee seating for this free event. You may reserve a place by sending an email to intellectual-property@luc.edu with your name and contact information.
