Interested in a career in intellectual property? Come to the YLS IP Committee's Fifth Annual Careers in Intellectual Property Seminar. You will hear from a panel of practicing intellectual property attorneys representing a wide variety of professional experience on the types of issues dealt with on a daily basis and why intellectual property is important for every business. These professionals will also give insider advice on creating job opportunities through networking, resume building, interview techniques and practical advice for working in this field.

TOPICS INCLUDE:

- Intellectual property practice in in-house, large law firm, boutique firm and solo
- Improving resumes
- Interview tactics
- Networking
- Leveraging previous work experience
- Practical advice for day-to-day practice and dealing with employers, colleagues and staff
