

# H1N1 Vaccination Clinics

## H1N1 Flu Shots

The Chicago Department of Public Health will be sponsoring walk-in immunization clinics for Chicagoans who are included in the high priority groups defined by the Centers for Disease Control and Prevention (CDC).

- Pregnant women
- Household contacts and caregivers of children younger than 6 months of age
- Health care and emergency medical service personnel
- Children and young adults ages 6 months through 24 years
- Persons aged 25- 64 years who have medical conditions which put them at high risk for complications from influenza
