Ms. Priti Garg is a Lawyer licensed in India who is currently enrolled at Chicago-Kent College of Law. She has been practicing Corporate and Financial law for 3 years in India. She aspires to work as a legal manager as well as a dealmaker to provide innovation solution, in the most diverse and dynamic cultures and industries. Ms. Garg also aspires to explore and gain in-depth knowledge of contractual relations and litigation issues evolving through them.

She had been working with British Telecom in India as a commercial, legal and regulatory expert with the Global Sourcing UK team. In addition, she has also earned an MBA from the Durham University. During her MBA studies, she was selected to do a business project for Newcastle International Airport (the fastest growing Airport in UK).

Ms. Garg earned her Bachelors of Law with Honors in 2004, from Amity Law School, India. She has worked in India as a corporate lawyer as well as a litigator at many renowned law firms. Ms. Garg has also been an active member of NGO's like Child Relief and You (CRY) and Helpage India.

A detail-minded legal professional, who combines strong interpersonal, analytical, and communication skills with her experience of the legal profession is well equipped to explore different industries within the global legal market. She posses a strong work ethic coupled with the ability to work confidently both independently and with teams. She appreciates opportunities to speak with people and explore the combination of Law and Management.

She speaks: Hindi, English, Punjabi, German (Basic Level) and French (Basic Level)
