

Ms. Jing Liu

Program: International Intellectual Property Law

Address:

5315 S. Kimbark Ave. #3A
Chicago, IL 60615

E-mail: jliu1@kentlaw.edu

For the past three and a half years, Ms. Liu has been a patent engineer in Beijing at China Patent Agent HK Ltd. (“CPA”). At CPA, she drafted patent application documents, prepared responses to office actions in the substantive examination proceedings and took part in patent reexamination and invalidation. Before joining CPA, Ms. Liu worked as a software engineer at the developing center for NEC telecom systems in Beijing, during which time she spent one year at the headquarters in Tokyo.

Ms. Liu received her B.S. in Computer Science from Beijing Normal University, with a minor in English. She is currently pursuing an LL.M. degree in International Intellectual Property at Chicago-Kent College of Law.

Ms. Liu speaks Mandarin, English and Japanese.
