

If you are an F1 or J1 visa student or full-time student, health insurance is mandatory.

To ensure proper health coverage, the IIT health insurance charge will automatically be placed on your account.

1. If you would like to waive the IIT health insurance charge, you must meet the following criteria:
 - a. You are not on F1 or J1 visa status.
 - b. You already have health insurance coverage and are able to provide proof.
2. If you qualify for the health insurance waiver, please complete the online application at: enrollment.iit.edu/~shc/insurance
3. If you are a part-time student and would like to enroll in the IIT health insurance, you must:
 - a. Send an email to student.health@iit.edu or
 - b. Fill out the online application at: enrollment.iit.edu/ssc/insurance

If you have any questions, please contact the Student Health Center at [312.808.7100](tel:312.808.7100).
