**This form must be completed, signed and returned to the Office of International Law and Policy Development by June 1, 2009.**

All J-1 students are required to have health insurance that meets the minimum requirements as defined by the US Department of State, which governs the Exchange Visitor Program. The insurance coverage must provide the following minimum coverage:

- Medical benefits of at least \$50,000 per person per accident or illness

Please indicate below how you expect to meet this medical insurance requirement:

- I will purchase health insurance (different from IIT student health insurance) that meets J-1 requirements

I understand that while in J-1 status in the U.S., I am required to maintain health insurance with the minimum coverage as specified above for myself and any accompanying dependents. I hereby affirm that I have, or will have by the time I begin my visit at the Illinois Institute of Technology, the stated insurance for the effective period of all valid forms DS-2019 issued to me. I also acknowledge that willful noncompliance with the insurance provisions will result in the termination of my participation in the Exchange Visitor Program.
