This particular networking event will have several litigators, so anyone interested in litigation should make sure to go to this Thursday's "5 Under 5."
 - ii. **Recruitment-Advice Event** will be held on April 9 from 4:30 PM to 6 PM. There will be a limit on the amount of people that can go. A mid-size law HR person will be there to advise students about how to avoid recruitment filters. And a hiring partner will explain what he wants to hear in an interview. Keep an eye out for an email.
 - iii. Jack gave a special shout-out to Fariz and Emily, who have been working hard on these events, so everyone in SBA should attend these events. The more we can support the alumni events, the better we can serve our students.
